In the tapestry of American history, Indiana often plays a supporting role. It is not the setting of grand battles or the birthplace of iconic figures. But Indiana's story is just as important as those of its more famous neighbors. It is a story of ordinary people who have lived, worked, and raised families in this great state.

*Being Lucky: Reminiscences and Reflections of Indiana* is a captivating collection of essays that explores the rich history and diverse culture of the Hoosier State. This book offers a unique glimpse into the lives of ordinary Hoosiers, capturing their hopes, dreams, and challenges.

In these essays, you will meet a young woman who comes to Indiana in the early 1900s to work as a schoolteacher. You will hear from a farmer who struggles to make a living during the Great Depression. You will learn about a group of African American soldiers who fought valiantly in the Civil War. And you will be inspired by the story of a young immigrant who came to Indiana with nothing and built a successful business.

These are just a few of the many stories that make up the fabric of Indiana's past. *Being Lucky* is a book that will appeal to anyone who is interested in history, culture, or simply the human experience. It is a book that will make you laugh, cry, and think. And it is a book that will remind you that even the smallest of stories can have a profound impact.

## **Reviews**

"*Being Lucky* is a wonderful book that captures the essence of Indiana. It is a must-read for anyone who wants to learn more about the Hoosier State."

- **Indiana Historical Society**

"[Author's Name] has written a gem of a book. *Being Lucky* is a collection of essays that are both informative and entertaining. I highly recommend this book to anyone who is interested in Indiana history or culture."
