

Certified Dietary Manager Exam Flashcard Study System: Your Complete Study Guide

Becoming a Certified Dietary Manager (CDM) is a great way to advance your career in food service management. The CDM credential is recognized by the American Dietetic Association (ADA) and the National Restaurant Association (NRA), and it demonstrates your knowledge and skills in the field.

However, the CDM exam is not easy to pass. In fact, the pass rate for the exam is only about 50%.

That's why we created our Certified Dietary Manager Exam Flashcard Study System. Our flashcards are designed to help you learn the most important information on the exam, and they can be used as a supplement to your other study materials.

Certified Dietary Manager Exam Flashcard Study System: CDM Test Practice Questions and Review for the Certified Dietary Manager Exam by Harvey Wittenberg

In this article, we will provide an overview of the Certified Dietary Manager exam and our flashcard study system. We will also provide some tips for passing the exam.

1. **Principles of Food Service Management (30%)**
2. **Food and Nutrition (25%)**
3. **Personnel Management (20%)**
4. **Financial Management (25%)**

The exam is timed, and you have three hours to complete it.

- **Over 300 flashcards** covering the most important information on the exam
- **Detailed explanations** for each flashcard
- **A practice exam** to help you assess your readiness for the exam

Our flashcards are designed to be easy to use and understand. They are also portable, so you can study them anywhere, anytime.

- **Increased retention:** Flashcards are a great way to improve your retention of information. By repeatedly going through the flashcards, you will be able to remember the material more easily.
- **Improved focus:** Flashcards help you to focus on the most important information on the exam. By only studying the material that is likely to be on the exam, you can improve your chances of passing.
- **Convenience:** Our flashcard study system is convenient and portable. You can study them anywhere, anytime. This makes it easy to fit

studying into your busy schedule.

- **Start studying early.** The CDM exam is a challenging exam, so it is important to start studying early. Give yourself plenty of time to review the material and practice answering questions.
- **Use multiple study methods.** Don't rely on just one study method. Use a variety of methods, such as flashcards, textbooks, and practice exams. This will help you to learn the material in different ways and improve your retention.
- **Take practice exams.** Practice exams are a great way to assess your readiness for the exam. Take several practice exams and review your results to identify areas where you need to improve.
- **Get enough sleep.** On the night before the exam, get a good night's sleep. This will help you to be alert and focused on the day of the exam.
- **Stay positive.** Believe in yourself and your ability to pass the exam. A positive attitude will help you to stay motivated and focused.

The Certified Dietary Manager exam is a challenging exam, but it is possible to pass with the right preparation. Our Certified Dietary Manager Exam Flashcard Study System is a comprehensive study tool that can help you to learn the material and improve your chances of passing the exam.
