The Czech Republic is a landlocked country in Central Europe. It is bordered by Germany to the west, Poland to the north, Slovakia to the east, and Austria to the south. The Czech Republic is a member of the European Union and NATO. It is also a developed country with a high standard of living.

History

The Czech Republic has a long and rich history. The first people to settle in the area were the Celts. The Celts were followed by the Germanic tribes. In the 6th century, the Slavs arrived in the area. The Slavs established a number of principalities in the region. In the 9th century, the Great Moravian Empire was established. The Great Moravian Empire was the first major Slavic state in Central Europe. In the 10th century, the Great Moravian Empire collapsed. The area was then divided into a number of smaller

principalities. In the 13th century, the Přemyslid dynasty came to power. The Přemyslids ruled Bohemia for over 200 years. In the 14th century, the Czech Republic became part of the Holy Roman Empire. In the 15th century, the Hussite Wars were fought in the Czech Republic. The Hussite Wars were a series of religious wars that were fought between the Hussites and the Holy Roman Empire. In the 16th century, the Czech Republic became part of the Habsburg Empire. The Habsburgs ruled the Czech Republic for over 300 years. In the 19th century, the Czech Republic became a center of industry and culture. In the 20th century, the Czech Republic was part of Czechoslovakia. Czechoslovakia was a communist state from 1948 to 1989. In 1989, the Velvet Revolution ended communist rule in Czechoslovakia. Czechoslovakia split into the Czech Republic and Slovakia in 1993.

Geography

The Czech Republic is a landlocked country in Central Europe. It is bordered by Germany to the west, Poland to the north, Slovakia to the east, and Austria to the south.
