What's Inside Dancing Minds?

Dancing Minds is divided into three parts:

1. **Technique:** This section covers the basics of dance technique, including proper alignment, balance, and coordination. It also provides exercises and drills to help you improve your skills.

2. **Artistry:** This section explores the creative side of dance, including how to develop your own style and choreograph your own dances. It also provides tips on how to perform with confidence and expression.
3. **Business of Dance:** This section covers the practical side of dance, including how to find work, market yourself, and build a successful career. It also provides advice on how to deal with the challenges of the dance industry.

Who is Dancing Minds For?

Dancing Minds is written for dancers of all levels, from beginners to professionals. It is also a valuable resource for dance teachers, choreographers, and anyone else who works in the dance industry. Whether you are looking to improve your technique, develop your artistry, or learn more about the business of dance, Dancing Minds has something to offer you.
