From Scranton to the White House is a captivating biography that traces the extraordinary journey of Joe Biden, the 46th President of the United States. This book provides an in-depth look at Biden's humble beginnings, his rise to political prominence, and his historic presidency.

Biden's life story is a testament to the power of perseverance and hard work. Born in Scranton, Pennsylvania, to a working-class family, Biden overcame adversity from a young age. His father lost his job during the Great Depression, and Biden had to help support his family by working odd jobs.

Despite these challenges, Biden excelled in school and went on to attend the University of Delaware and Syracuse Law School. He began his political career in 1970, when he was elected to the New Castle County

Council in Delaware. In 1972, he was elected to the United States Senate, becoming one of the youngest senators in history.

Biden served in the Senate for 36 years, during which time he became a leading voice on issues such as crime, healthcare, and foreign policy. He was also a close friend and confidant of President Barack Obama, serving as Vice President from 2009 to 2017.

In 2020, Biden was elected President of the United States. He became the oldest person to be elected to the presidency, and his victory was a historic moment for the nation. Biden has pledged to unify the country and address the challenges facing the nation, including the COVID-19 pandemic, the economic crisis, and climate change.

From Scranton to the White House is an inspiring and insightful look at the life of Joe Biden. This book is a must-read for anyone interested in American politics and history.

### **About the Author**

John Meacham is a Pulitzer Prize-winning author and historian. He has written biographies of Thomas Jefferson, James Madison, and Andrew Jackson. Meacham is also a contributing writer for Time magazine and a regular guest on MSNBC and CNN.
