The book is divided into three parts. The first part covers the early history of the British monarchy, from the Anglo-Saxon period to the Norman Conquest. The second part focuses on the medieval period, from the reign of William the Conqueror to the end of the Hundred Years' War. The third part covers the modern period, from the Tudor dynasty to the present day.

Each biography in the book includes a detailed account of the subject's life, as well as a discussion of their impact on British history. The book also includes a number of family trees and timelines, which help to illustrate the complex relationships between the different members of the royal family.

This book is a valuable resource for anyone who is interested in British history or royalty. It is also a great read for anyone who enjoys historical biographies. Here are a few of the many fascinating stories that you will find in this book:

- The story of King Alfred the Great, who defeated the Vikings and united England.
- The story of Queen Elizabeth I, who ruled England for 45 years and was known as the "Virgin Queen".
- The story of King George III, who lost the American colonies.
- The story of Queen Victoria, who ruled England for 63 years and was known as the "Grandmother of Europe".
- The story of King Edward VIII, who abdicated the throne to marry Wallis Simpson.

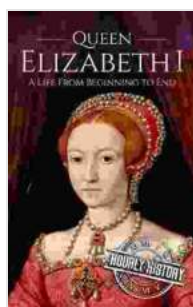

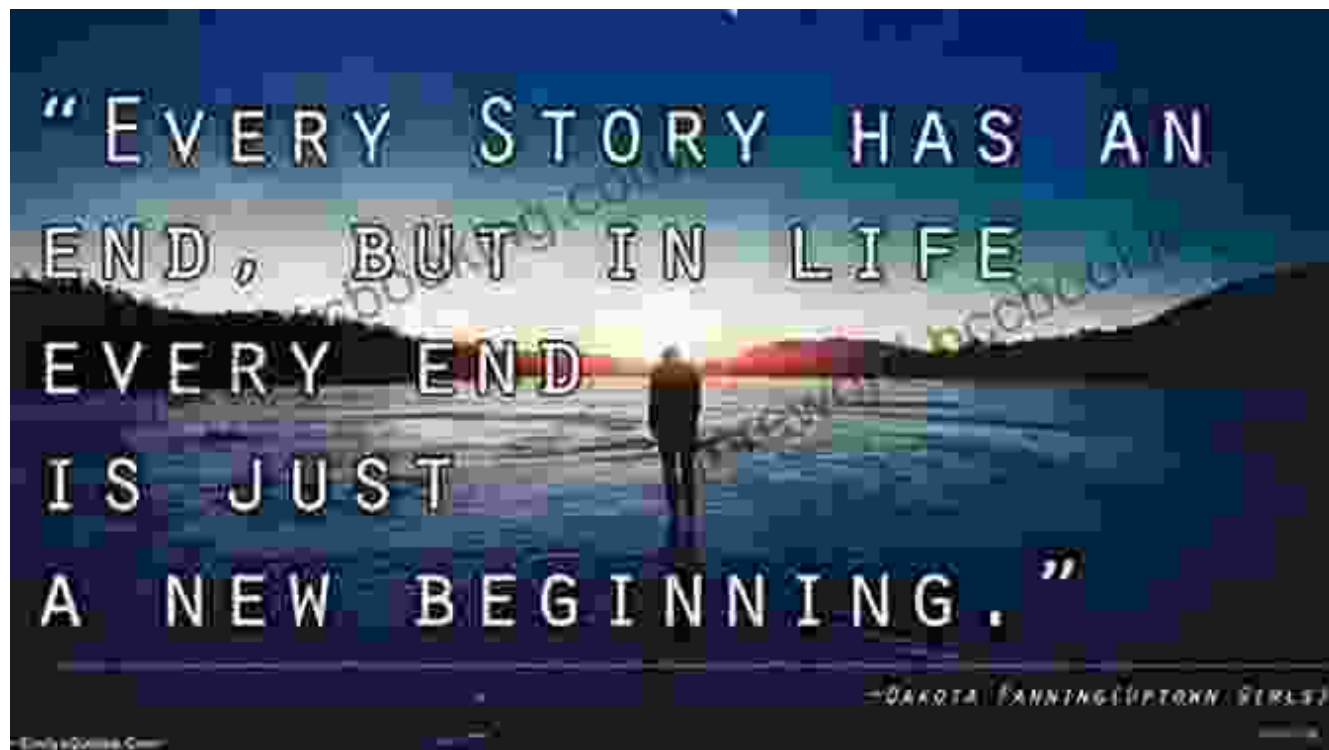

These are just a few of the many fascinating stories that you will find in this book. If you are interested in British history or royalty, then this is a book that you will not want to miss.
