Print length : 283 pages

The book is divided into three parts. The first part provides a brief overview of the Korean War, including the political and military context in which it was fought. The second part profiles each of the generals who served under MacArthur, including their backgrounds, their experiences in World War II, and their performance during the Korean War. The third part assesses the overall impact of the generals on the course of the war.

The author, Dr. Michael D. Pearlman, is a highly respected military historian who has written extensively about the Korean War. He has interviewed many of the generals who served under MacArthur, and his book is based on a wealth of primary source material.

MacArthur's Korean War Generals is a valuable contribution to the literature on the Korean War. It provides a unique perspective on the conflict through the eyes of the men who led the American forces. The book is well-written and engaging, and it is sure to appeal to a wide range of readers.
