In this comprehensive volume, you'll discover:

- **Historical Context:** Explore the real-world historical events that provide the backdrop for the Magic Tree House adventures, such as the American Revolution, the ancient Maya civilization, and the California Gold Rush.

- **Scientific Explorations:** Dive into the science behind the amazing phenomena encountered in the books, from the properties of magnetism to the behavior of animals.
- **Character Profiles:** Get to know the dynamic characters of Jack and Annie, and learn how their experiences in different time periods shape their understanding of the world.
- **Timeline of Events:** Keep track of the historical events covered in the series, with a detailed timeline that provides a clear chronological framework.
- **Fun Activities:** Engage in hands-on activities and experiments that reinforce the concepts presented in the books, making learning both enjoyable and interactive.

The Nonfiction Companion to Magic Tree House 14 is not just a mere reference guide; it's an adventure in itself. Through engaging text and vibrant illustrations, young readers will uncover the fascinating world of history and science that lies beyond the pages of the Magic Tree House books.

Parents and educators will appreciate the educational value of this companion volume. It aligns with Common Core State Standards, providing ample opportunities for students to develop their reading comprehension, critical thinking skills, and knowledge of social studies and science concepts.

Whether your child is an avid fan of the Magic Tree House series or simply curious about the world around them, the Nonfiction Companion to Magic

Tree House 14 is a must-have. It's a unique and engaging resource that will inspire a lifelong love of learning and discovery.

So, let your young explorers embark on this extraordinary educational journey today! Free Download your copy of the Nonfiction Companion to Magic Tree House 14 and watch as they soar through the pages of history and beyond.
