In Magic Tree House 27: DANGER IN THE TIME OF THE DINOSAURS, Jack and Annie time-travel to ancient Egypt, where they encounter pharaohs, hieroglyphs, and the awe-inspiring pyramids. The Nonfiction Companion delves deeper into this enigmatic civilization, revealing the secrets of its mighty rulers, their elaborate burial rituals, and the ingenious inventions that shaped the course of history.

Through engaging text, vivid illustrations, and fun activities, young readers will:

- Meet the legendary pharaohs and learn about their extraordinary reign
- Explore the construction of the pyramids and discover the secrets of their architectural brilliance
- Uncover the mysteries of the hieroglyphic script and try their hand at decoding ancient messages
- Investigate the daily life of ancient Egyptians, from their homes and occupations to their religious beliefs and rituals

**Meet the Master of Invention: Leonardo da Vinci**

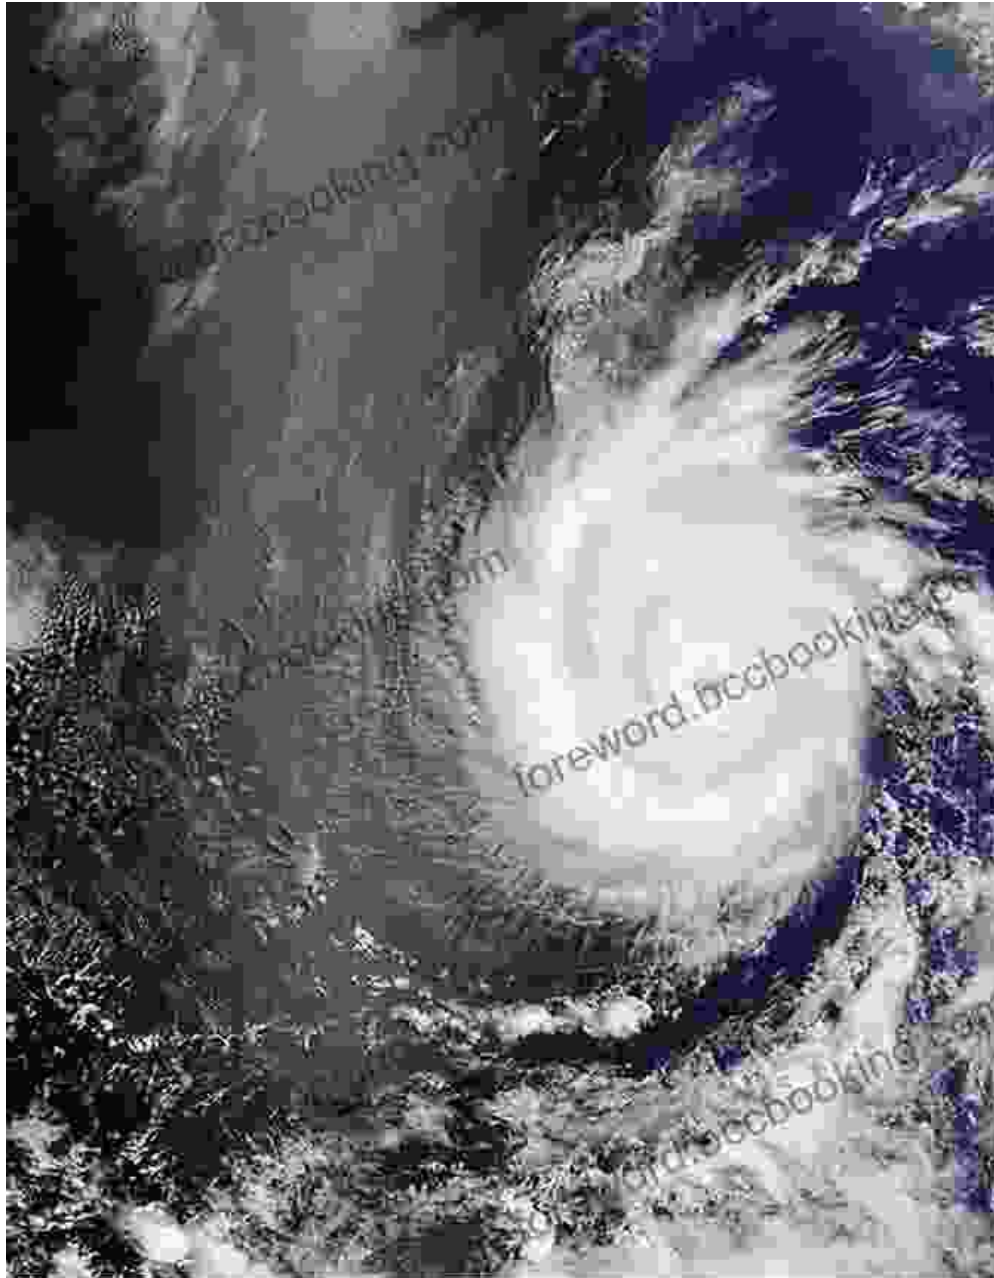

In Magic Tree House 27, Jack and Annie also encounter the enigmatic figure of Leonardo da Vinci, the Renaissance master whose inventions and artistic genius continue to inspire generations. The Nonfiction Companion celebrates this extraordinary mind, exploring his contributions to art, science, and engineering.

Young readers will embark on a journey through Leonardo's world, discovering:

- The secrets behind his renowned paintings, such as the Mona Lisa and The Last Supper
- His groundbreaking inventions, including the flying machine and the submarine
- His meticulous scientific observations and detailed anatomical sketches
- The impact of his ideas on the development of Western civilization

## **Explore the Forces of Nature: Hurricanes**

The Nonfiction Companion also delves into the captivating topic of hurricanes, introduced in Magic Tree House 27. Young readers will gain a comprehensive understanding of these powerful weather phenomena, from their formation and structure to their devastating effects.

They will explore:

- The science behind hurricanes and how they form over warm ocean waters
- The different categories of hurricanes and their potential impacts
- The importance of hurricane preparedness and safety measures
- The role of scientists in monitoring and predicting hurricanes

## **Foster a Love for Learning**

The Nonfiction Companion to Magic Tree House 27 is more than just a companion book; it is an essential learning tool that fosters a love for learning and exploration in young readers. By bridging the gap between fiction and nonfiction, it encourages children to dive deeper into the subjects that capture their imagination.

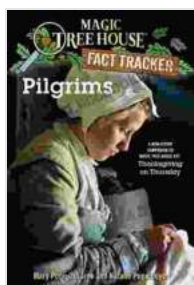

With its engaging text, vibrant images, and interactive activities, the Nonfiction Companion:

- Expands on the topics introduced in Magic Tree House 27, providing a richer understanding of the subject matter
- Cultivates curiosity and encourages young readers to explore other nonfiction subjects
- Develops critical thinking and analytical skills as children connect information from different sources
- Inspires a lifelong passion for reading, learning, and adventure
