Join Jack and Annie on their captivating journeys, where they encounter exciting historical figures, explore diverse cultures, and unravel the secrets of science. This companion book delves into the real-world subjects that inspired each Magic Tree House story, providing an immersive and educational experience.

Unveiling the Secrets of History

Through captivating narratives and stunning photographs, the Nonfiction Companion brings the pages of history to life. Young readers will:

- Meet legendary explorers like Christopher Columbus and Amelia Earhart.
- Travel to ancient civilizations, such as Egypt, Greece, and China.
- Witness groundbreaking scientific discoveries, revolutionizing the world.
- Explore pivotal events, like the American Revolution and the Civil War.

Igniting a Passion for Science

Beyond historical adventures, the Nonfiction Companion introduces young minds to a captivating array of scientific topics:

- Unlock the secrets of the solar system, stars, and galaxies.
- Dive into the wonders of animal adaptations and ecosystems.
- Uncover the fascinating properties and uses of electricity.
- Investigate the forces of nature, including gravity, magnetism, and weather.

Enriching the Magic Tree House Experience

The Nonfiction Companion is more than just a companion book; it's an indispensable tool for parents, teachers, and educators. It provides:

- **Background information:** Set the stage for each Magic Tree House adventure, enhancing comprehension and sparking interest.

- **Learning activities:** Extend the learning experience with interactive games, discussion questions, and hands-on experiments.
- **Glossary and index:** Empower young readers with the vocabulary and quick reference needed to navigate the text.

A Spark for Lifelong Learning

The Nonfiction Companion to Magic Tree House is not just a book; it's an invitation to explore, discover, and cultivate a lifelong love for learning. By connecting the adventures of Jack and Annie to the real world, it ignites a passion for history, science, and the boundless possibilities of knowledge.

Free Download your copy today and embark on a thrilling journey of adventure and learning with the Nonfiction Companion to Magic Tree House. It's the perfect companion for young explorers who are ready to discover the amazing world around them!
