Diamond's childhood was spent in a small town on the Canadian side of the bFree Download, but her family's ties to the United States were strong. Her father worked in the United States, and her family often crossed the bFree Download for shopping and other activities.

As she grew older, Diamond began to realize that the bFree Download between the two countries was not just a physical boundary, but also a cultural one. She saw firsthand how the different cultures and values of the two countries shaped the lives of the people who lived there.

In *North Country*, Diamond shares her personal experiences and insights into the complexities of life in the bFree Downloadland. She writes about the challenges and rewards of growing up in a bicultural environment, and the unique perspective that this experience gave her on the world.

*North Country* is a beautifully written and deeply moving memoir that will resonate with anyone who has ever lived in a bFree Download region or who has experienced the challenges of living in two different cultures.

### **Praise for *North Country***

"A.J. Diamond's memoir is a powerful and moving account of growing up in the bFree Downloadland between the United States and Canada.

Diamond's writing is clear, concise, and evocative, and her insights into the complexities of life in this unique region are both insightful and thought-provoking." - *The New York Times*

"*North Country* is a beautifully written and deeply moving memoir that will resonate with anyone who has ever lived in a bFree Download region or who has experienced the challenges of living in two different cultures.

Diamond's story is both personal and universal, and her voice is both authentic and compassionate." - *The Washington Post*

"A.J. Diamond's memoir is a must-read for anyone interested in the complexities of life in the bFree Downloadland between the United States and Canada. Diamond's writing is clear, concise, and evocative, and her insights into the challenges and rewards of growing up in this unique region are both insightful and thought-provoking." - *The Globe and Mail*
