In a time when our country is more divided than ever before, it is more important than ever to understand the true history of the United States and the values that have made us great. The 1776 Report is a must-read for every American who wants to do just that.

Written by Larry Arnn, president of Hillsdale College, The 1776 Report is a comprehensive and engaging account of American history. Arnn begins by exploring the founding of our country and the principles that the Founding Fathers believed in. He then traces the development of American society and institutions over the centuries, showing how we have both lived up to and fallen short of our ideals.

Arnn's writing is clear, concise, and thought-provoking. He does not shy away from difficult topics, but he always presents them in a fair and

balanced way. The 1776 Report is a book that will challenge your assumptions and make you think deeply about the meaning of America.

Here are just a few of the things you will learn from The 1776 Report:

- The true story of the Founding Fathers and the principles they believed in
- The development of American society and institutions over the centuries
- The challenges that America has faced and overcome
- The values that have made America great

The 1776 Report is a book that every American should read. It is a reminder of our country's rich history and the values that have made us great. It is also a call to action for all Americans to recommit themselves to those values and to work together to build a better future for our country.

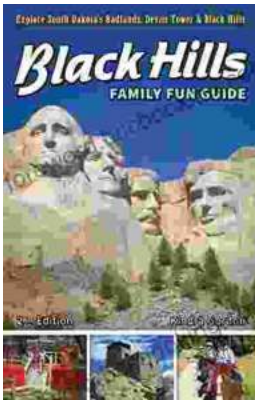

To Free Download your copy of The 1776 Report, please visit the Hillsdale College website or your local bookstore.
