## **Stage 1: Sketching and Color Mapping**

In this stage, you'll learn to create a simplified sketch of your subject and establish a color map that serves as a roadmap for your painting.

## **Stage 2: Base Layer and Glazing**

Next, you'll apply a base layer of paint, providing a solid foundation for your artwork. You'll then build upon this base with transparent layers of color, adding depth and richness to your painting.

## **Stage 3: Detailing and Finishing**

In the final stage, you'll refine your painting by adding details, highlights, and shadows. This brings your artwork to life and gives it a polished finish.

## **30 Bite-Sized Projects: A Journey of Artistic Discovery**

The book features 30 carefully curated oil painting projects, each designed to focus on a specific color theme. These projects are bite-sized, making them perfect for beginners or those with limited time. As you progress through each project, you'll master new techniques and expand your understanding of color relationships.

Immerse yourself in a world of color as you explore vibrant landscapes, still lifes, and portraits, all while learning the secrets of harmonious color combinations and the power of contrast.
