

# Unsung Lullabies: Understanding and Coping with Infertility

Infertility is a common problem, affecting millions of couples worldwide. It can be a difficult and emotional experience, and it can take a toll on both physical and mental health. In her book, *Unsung Lullabies*, author Sarah Cohen shares her personal story of infertility and provides practical advice and support for other couples who are struggling to conceive.

Cohen's book is a valuable resource for anyone who is experiencing infertility. She provides a comprehensive overview of the different causes of infertility, as well as the various treatment options available. She also offers advice on how to cope with the emotional challenges of infertility, such as grief, loss, and hope.
