In his new book, *Wrestling With Bullies*, Thibault Busschots provides parents, educators, and children with the tools they need to overcome bullying. Busschots draws on his own experiences as a victim of bullying and his work as a school counselor to offer practical advice and strategies for dealing with bullies.

Wrestling With Bullies is divided into three parts:

- Part One: Understanding Bullying
- Part Two: Strategies for Dealing With Bullies

- Part Three: Creating a Positive School Environment

In Part One, Busschots provides a comprehensive overview of bullying. He discusses the different types of bullying, the signs and symptoms of bullying, and the long-term effects of bullying.

In Part Two, Busschots offers practical advice for dealing with bullies. He provides step-by-step instructions for responding to bullying, both verbally and physically. He also discusses the importance of building a support system and seeking professional help if necessary.

In Part Three, Busschots focuses on creating a positive school environment. He discusses the role of parents, educators, and administrators in preventing and responding to bullying. He also provides tips for creating a school climate that is supportive and respectful.

Wrestling With Bullies is an essential resource for parents, educators, and children who are struggling with bullying. This book provides practical advice and strategies for dealing with bullies and creating a positive school environment.

About the Author
